2026 PROJECT APPLICATION FORM — FOR PROJECT CODE: P10

Synopsys Silicon Valley Science and Technology Championship

You are NOT yet registered. Save this form to upload later with your complete application. Go back to your Project Page and complete Steps 2–4. After completing all of the steps, if you need to pay by check or cash, print and mail a copy of this form with your payment to SCVSEFA, P.O. Box 307, Los Altos, CA 94023. Your application processing fee is \$40 (for an individual project).

Watch for your project to appear under the Project Status link on our web site. If your project requires pre-approval, then Approval is complete only after the status changes to "Project Accepted." For all projects, please monitor Project Status to ensure that your application is complete and meets Minimum Quality Requirements.

SCVSEFA Use Only:

Title

Teacher

Personalized Deep Learning Model for Closed-Loop 40 Hz Entrainment to Optimize Theta-Gamma Coupling in Alzheimer's

Mr. John Crandall
jcrandall@vcs.net

Category

Field of Study

- ☒ Biological Science and Engineering
☐ Physical Science and Engineering
☐ RRI Biological Science and Engineering
☐ RRI Physical Science and Engineering

- ☐ Plant Science ☐ Animal Science ☐ Biochemistry/Microbiology
☒ Computational Biology and Bioinformatics ☐ Biomedical and Health Science
☐ Biomedical Engineering ☐ Chemistry ☐ Chemical and Environmental Engineering
☐ Earth and Environmental Science ☐ Physics and Astronomy ☐ Electrical Engineering
☐ Mechanical Engineering ☐ Mathematics ☐ Software Engineering

Student

Amaar Manzoor Chughtai
Gender Male
Valley Christian High School, San Jose
Grade 11
5663 La Seyne Pl. (home)
San Jose, 95138
4089306097 (student)
4086246611
amaar2cool@gmail.com (student)
irfanmc@hotmail.com

Above is information that we've recorded in our database for your application. The application will be complete when you upload copies of this and other required forms to your Forms folder and pay the \$40 application processing fee (for an individual project). Are there errors above? Then please go to our web site, generate a new online application, and upload the corrected Project Application Form to your new Forms folder.

Apply as soon as possible for pre-approval; the FINAL deadline for SRC pre-approval is Nov 14, 2025. The FINAL deadline for all projects is Jan 12, 2026. A student may participate in only one project.

Find links to the other forms that you need on your Project Page and at the Application Instructions link of www.science-fair.org. This is the web link of Your Project Page:
